MEMBERSHIP RENEWAL

Standing Order

The membership year starts on 1st June

The annual subscription remains at just £6 per household, but if you can give more that would help our work tremendously. Most of our members now pay by Standing Order. This greatly simplifies our procedures and hopefully makes things easier for you. A Standing Order is not like Direct Debit – you remain in control and can cancel it any time you wish: conversely we can not change it.

If you are happy to use this method to pay your renewal, please print this form and, when complete, return it to me at the above address.
